

Ch.2, Burger Busters

I'm hungry!

Hi aliens!

Hi Luigi!

Bweep!

Um...Mario, your order is ready.

Luigi! Where's my burger? Must have burger!

I'll only give it to you if you promise not to take over NC Land.

That's blackmail! But... oh, okay.

Later...
Thanks for the burger. I gotta take over NC Land now. Bye.

What? You said that if I gave you... but... the... grr...
Times change.

Arrgh!

Oh well. He can't do too much harm. Especially if he can't move!

Could you point me to NC Land HQ?

Huh? I'm frozen in mid air?

Ha ha! Now he'll never get to NC Land HQ!

What makes you so sure?

POW!

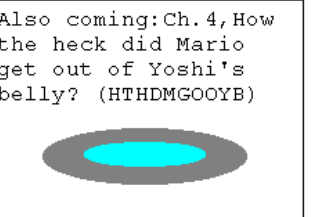

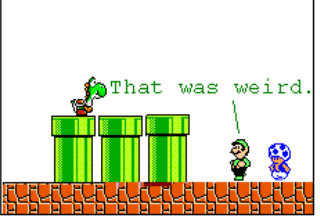

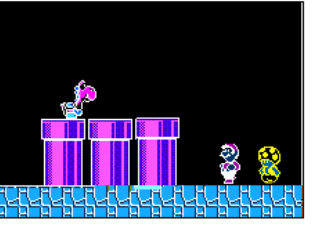

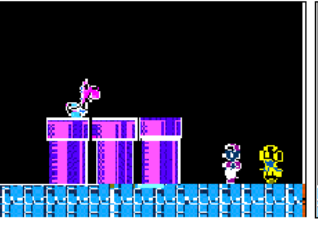

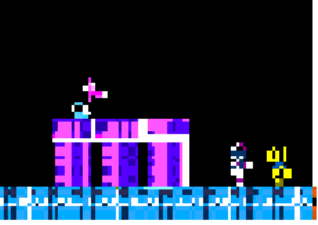

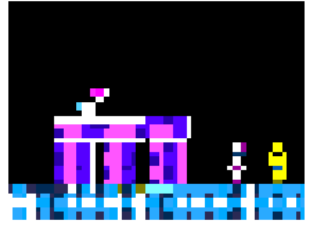

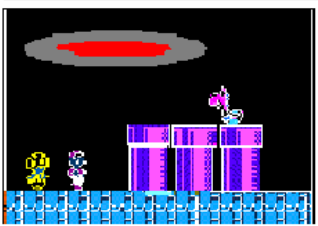

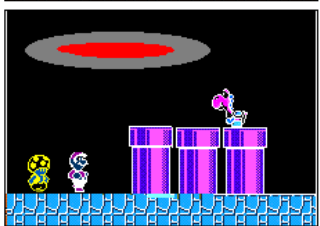

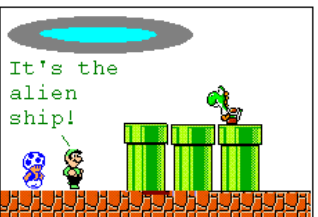

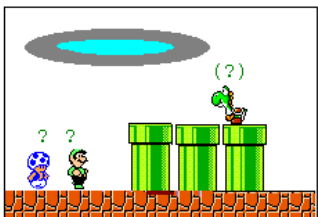

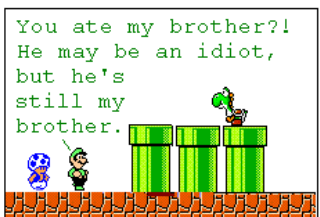

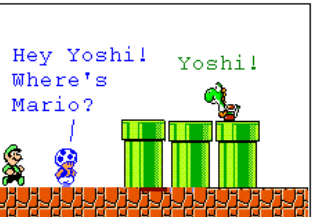

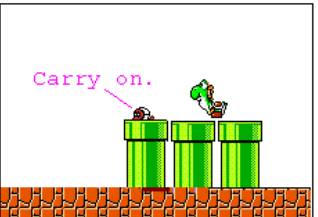

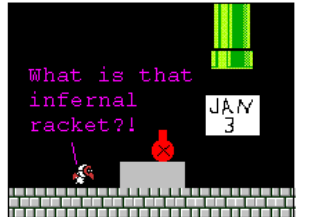

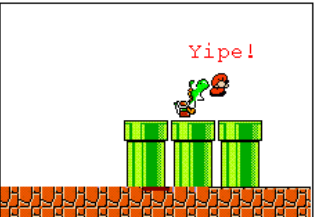

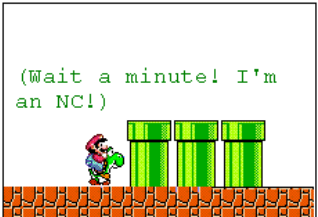

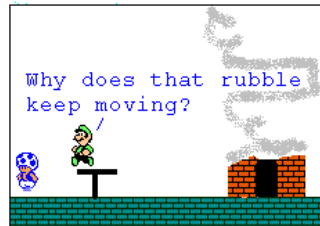

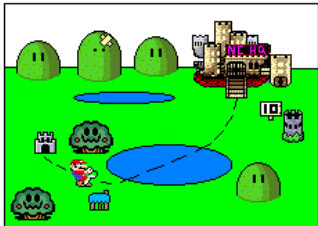

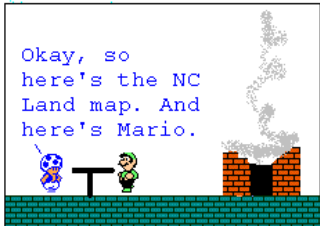

I'm free! NC Land HQ, here I come!

Can Luigi and Toad stop Mario before he gets to NC Land HQ?

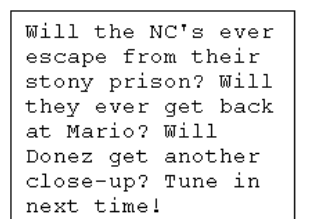

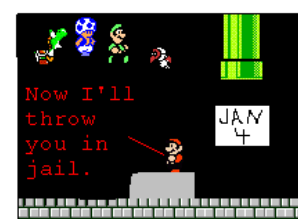

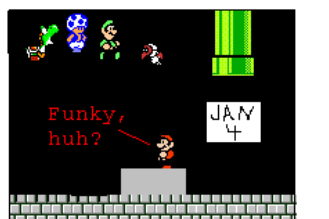

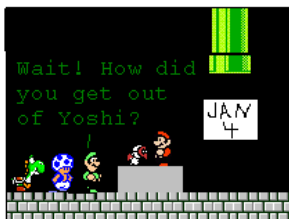

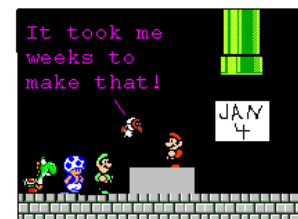

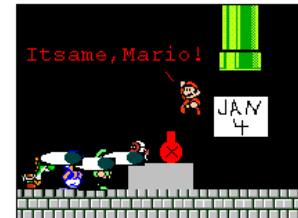

Tune in to Ch.3, NC Land HQ as soon as possible to find out!

Hurry Luigi!

Why am I not in this stupid story yet?

Ch. 4, HTHDMGOOYB

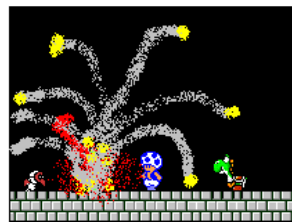

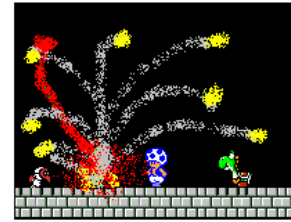

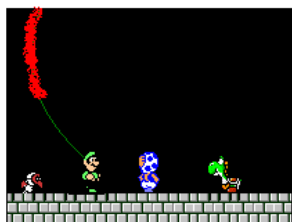

Ch.5, Luigi

I'm hungry. I'm bored. I'm itchy. I'm sleepy.

Shut up Toad. I'm thinking of a way to escape.

I'm a Luigi!

Not again.

Well, if that was an android, where's the real Luigi?

As the great

Dr. Denez!

I believe that since the cord extends upward, that is where Luigi is.

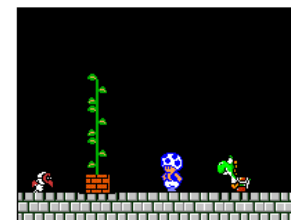

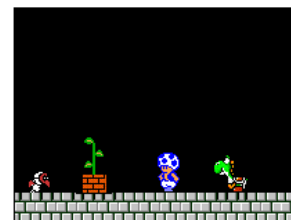

But how do we get up there?

Hmm...I have an idea.

Some idea. This is going to take forever.

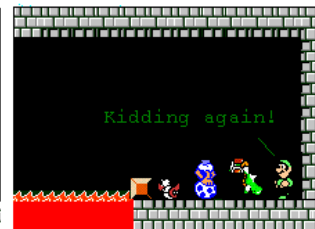

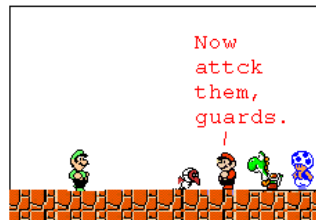

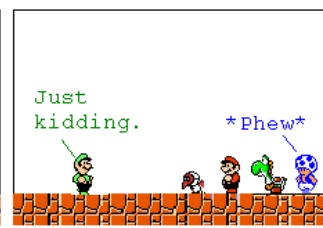

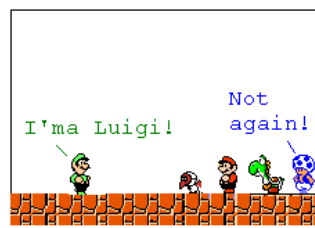

Not so. Just keep watching.

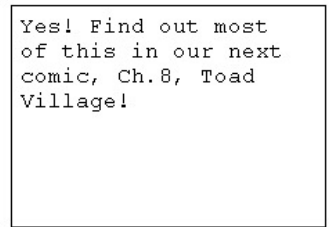

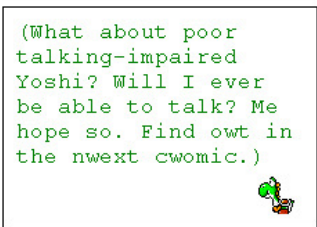

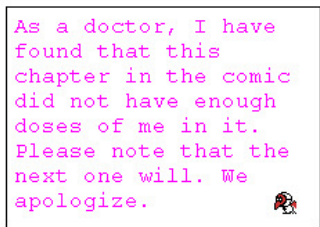

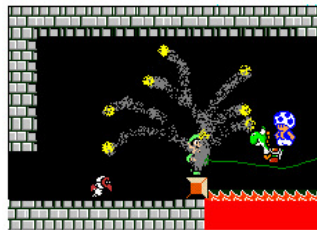

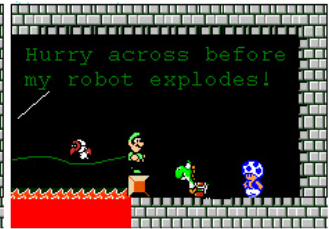

Oh no! How will they ever free Luigi? Will they be able to defeat Mario? You'll have to look at the next chapter to find out!

Yoshi!

Will Luigi ever shut up? How will our heroes ever escape? Will they ever save NC Land from Mario? Find out in Ch.7, The Dungeon!
